

We may have stopped general activities and meetings at the Post, but we still must maintain Legion Business. Due to the closing of many of the Post functions, we need to make some changes in our election procedures. We are going to take nominations by phone or Email for Post Officers.

OFFICERS NOMINATIONS

If you are interested in running for office please contact Commander at Email s_ervin49@yahoo.com or call (513) 543-1635 or Bill Harris (513) 474-1330 or bharris3041@gmail.com. Just leave your name and Officer Position you would like to run for.

Bill Harris and I will list the nominations and issue to the Executive Board to review and approve by Email and phone prior to the May meeting or whenever we meet again. I would also submit your names for Post delegates. Note delegates are required to attend local District meetings and Department conventions or events. Please note the election of these officers will determine the future celebrations to be held 2021 when our Post will celebrate our Post's 100th year Anniversary. Thank you for your understanding, Commander.

"ATTENTION!" NEW POST KEYLESS SYSTEM

ATTENTION ALL LEGION FAMILY UNITS (SAL, AUXILIARY, RIDERS and Legionnaires)

During our renovation of the post clubroom a new keyless door system was installed. This new system will give all our members a dedicated permanent keycard specifically assigned to each individual member, with his/her specific keycard code. They will stay in affect permanently as long as each member is an active member of a post family unit (SAL, Auxiliary, Riders, and Legion) in the post. These NEW keycards will REPLACE EXISTING KEYCARDS now used. This new keyless system will help our Post monitor our membership yearly, help us notify those that have not paid and eliminate spending and mailing of yearly keycards to our members and spending additional money each year.

To help in distributing of these new keycards, please send your correct or updated address to Email s_ervin49@yahoo.com or to Ryan Cook, rcook@parasys.com. We have found that the address information for our members has not always been correct at the National or Department of American Legion posted in their records and we have errors within our own records. We would like to complete this transition to our new keycards before the end of MAY. Ryan will start assigning specific keycards to all current paid members starting in March. If you have not paid your 2020 dues please send them ASAP, IF you have paid your dues and not yet seen your membership cards, some of this is due to information indicated above.

Special Note; you will start seeing National and Department of Ohio American Legion information in the mail starting in May and June for 2021 membership renewal. This is their early bird membership drive done yearly. **Note your Post 2020 membership is good through end of December 2020.**
