**FEBRUARY 2020**

## COMMANDER'S MESSAGE, FEB. 2020

### HAPPY 2020 !!

2019 was an exciting year with numerous accomplishments. 2020 is also looking to be an important and exciting year.

The Post started off the New Year with an outstanding New Year's get together in our revamped clubroom. The Post is currently reviewing necessary requirements for opening the clubroom to outside clientele. This clubroom opening is planned for a February timeframe; opening date will be posted in our Post, Facebook page and Legion Website.

January's post activities last month were also a great success, our annual Eye Opener carried over from our New Year's get together.

Our New monthly Quarter Auction program, established by Vicki Monroe will be held every 3rd Thursday of each month, Thanks Vicki.

The Post Chili Cook Off lead by Debbie Holden was also a great success,

The Post recognized our local American Government Test winners in January, this program was coordinated by Glenn Johnson and Vicki Monroe.

## THANK YOU GREG SCHUBE, PRESIDENT & CEO

### DUALITE SALES & SERVICE, INC.

American Legion Post wants to thank Dualite Sales and Service, Inc. Mr. Greg Schube for donating and providing a new American Legion Post sign and a new American Eagle insignia for the front of the post.

## CHILI COOKOFF

The Post Chili Cook Off lead by Debbie Holden was also a great success. The Post

recognized our local American Government Test winners in January, this program was coordinated by Glenn Johnson and Vicki Monroe.

I'll close my message by reflecting our Post is a great Post, with new and great opportunities in 2020. It's ne of the strongest Posts in the 4th District providing Veterans' care, supporting Veterans families in need, our community and each other. I'm looking forward to see what great things we can do in 2020. For God and Country, S. Ervin

### **LUNCH WITH SANTA**

On December 15 at the post we had a great party for over 100 children. On that day the hall looked like a toy store that could compete with Toys-R-Us.

Each child ate a nice lunch, played games with the band, received a gift bag, won board games, visited with Santa, and received a large picture with Santa. The local schools and other areas work with me to invite children that could definitely benefit from a party like the one we put on. It takes many donations and many volunteers to hold a party like this one. I wish to thank all who helped in any way.

Thanks again to the Legion family and I hope you all have a great 2020.  
Bill Hosking

### **EDITOR'S JOB AVAILABLE**

Bugler Editor Bill Michel (me) has decided that ten years at the same job is enough! Although I enjoyed editing the newsletter, at this point in time I will be happy to turn it over to someone else. I will leave the editor's job no later than March 31st, 2020. Post Officers and those who contribute articles on a regular basis are already aware of this, so it gives the post more than 3 months to find a replacement.

As some of you know, I have been trying to resign this position for several years. I have thought about it for some time, and will not be changing my mind. This is the ideal time to do it because, since the Bugler will be primarily online rather than on paper, there can be much more flexibility in the format, pages, possible photos etc. in the online edition. Perhaps there will not be any

changes but the new editor should not be hampered by ideas of his predecessor.

I will be happy to work with the new editor to familiarize him or her with the program and Bugler computer. The computer is legion property and will be turned over with all of its contents to my successor. All present legion printing resides only on this computer so it seems logical that annual raffle tickets, letters to advertise etc. would also continue as part of the editors duties.

It might be worthwhile to select the new editor as soon as possible so that we have the time to work together as much as is needed before April 1st. If you are interested, please call me at 752-0636 or Commander Steve at 5431635.
